

On behalf of our entire team at KNect365, we would like to thank you for joining us in San Diego last week for our **TIDES** meeting. We hope that you gained the science, technologies and contacts needed to drive your business forward.

Many of you have had follow up questions, so our team has prepared a brief FAQ below:

Q: When and where is next year's meeting?

A: Next year's meeting will be held on May 7-10, 2018 in Boston at the Hynes Convention Center. Bookmark www.TIDSEvent.com and sign up for email updates and offers regarding our 2018 meeting.

Q: How can I access the speaker slides?

A: Speaker slides are available on the [TIDES app](#) in the 'agenda' tab. You will see a paperclip symbol next to the presentations that contain a slide deck. Please note that we only post the slides that we have been authorized by the speaker to distribute. If you need your log in details, please contact appsupport@knect365.com and our team should get back to you in less than 48 hours. App access is valid for 1-year post-event.

Q: How many attendees were there and where can I see the attendee list?

A: This year had the largest attendee turnout in TIDES' 19-year event history. We had just over 950 attendees from 26 countries at this year's meeting. The attendee list is also available in the TIDES app. To respect attendee privacy, we do not distribute personal contact information such as email or phone number. However, you may use the app to message an attendee up to 1-year post-event.

Q: Where can I get a copy of the agenda/poster presentations?

A: You may see the agenda in the [digital copy of the event guide](#) and you may see the list of poster presenters with abstracts in the app in the 'posters' tab.

Q: How can I share feedback?

We want to hear from you! Were there areas that our team could have improved your onsite experience? Did a TIDES team member exceed your expectations? Good or bad, please send your feedback to howard.choi@knect365.com.

Q: What are exhibition/sponsorship prices for next year's meeting?

A: For pricing and package options, please contact Patrick Shaughnessy at Patrick.shaughnessy@knect365.com (companies A-N) Aimee Croke at Aimee.Croke@knect365.com (companies O-Z).

Thank you again for joining us, and we hope to see you again next year.

Sincerely, on behalf of the entire KNect365 Team,

Michael Keenan
