If you still need to book a hotel room, please reference this [map of nearby hotels](#) with available rooms.

Updated Agenda

Here is a [digital copy of the attendee event guide](#) for your reference. You will also receive a printed event guide when you check in.

Crops & Chemicals USA App

As a registered attendee, you automatically receive access to the [Crops & Chemicals USA App](#), our digital networking platform that allows you to view the attendee list and pre-schedule meetings before you arrive in Raleigh. All attendees should have recently received an email from 'Crops & Chemicals USA' containing your log in details. Please email appsupport@knect365.com if you cannot locate this email or need your log in details resent (please check your spam email first). You may also visit our staff at the registration desk onsite for assistance.

Speaker Presentation Slides

Starting on Friday July 21, Speaker slides can be accessed in the Crops & Chemicals USA app under the 'Presentations' tab. Only a few speakers have submitted slides thus far, however our team will collect more onsite and add them into the app shortly after the event.

Wi-Fi

Attendees will be able to log into complimentary Wi-Fi by connecting to the "Raleigh Convention Center" network. No password is required, just accept the terms and conditions.

Tweet and Share Your Conference Experience

Tweet and follow us [@Crop_Chemical](https://twitter.com/Crop_Chemical) and #CACUSA for live event updates.

Attendee Badges

For security purposes, your badge must be worn and in clear sight at all times. You will need your badge to access the exhibit hall and conference sessions.

If you have any questions about your registration, please email registrations@informa-ls.com or contact our team below.

Kind regards,

The Crops & Chemicals USA Team
