

AI Applications for Drug Discovery and Development

On behalf of our entire team at KNect365 Life Sciences, we want to thank you for joining us in Boston, MA for [AI Applications for Drug Discovery and Development](#), part of Biotech Week Boston, and making it such a great success.

Many of you have been sending us questions, so our team has prepared a list of FAQs below:

Q: Where can I see the final AI Applications for Drug Discovery and Development agenda?

A: This year's agenda can be accessed through our digital [attendee event guide](#).

Q: When and where is next year's meeting?

A: Next year's meeting will be held on September 11-12, 2019 at the Boston Convention and Exhibition Center.

Q: How can I access the attendee list and speaker slides?

A: The attendee list and speaker slides are available in the [Biotech Week Boston networking app](#), which is will be live through end of October 2018. If you need your log in details, please visit the link above and hit the 'Retrieve Login Credentials' link and enter the email associated with your registration to trigger a password reset. If you are still experiencing issues, please contact biotechweekboston@knect365.com. Please note that exhibit hall only passes do not get access to the Biotech Week Boston app.

Q: How can I speak at next year's event?

A: We are currently accepting speaking applications. [Submit your speaking proposal](#) today as speaking space fill up quickly.

Q: How can I be a sponsor at next year's event?

A: To request sponsorship information for next year's AI Applications for Drug Discovery and Development meeting, please contact Aimee Croke at aimee.croke@knect365.com.

If you have further questions regarding your past or future participation at AI Applications for Drug Discovery and Development, please contact us at biotechweekboston@knect365.com.

Many thanks,

The AI Applications for Drug Discovery and Development Team
