

Cell & Gene Therapy Bioprocessing & Commercialization

On behalf of our entire team at KNect365 Life Sciences, we want to thank you for joining us in Boston, MA for [Cell & Gene Therapy Bioprocessing & Commercialization 2018](#), part of Biotech Week Boston, and making it such a great success.

We hope that you gained the scientific, strategic, technological and commercial information you were looking for to help take your pipeline to the next level.

Many of you have been sending us questions, so our team has prepared a list of FAQs below:

Q: Where can I see the final CGT 2018 agenda and poster list?

A: The CGT 2018 agenda and poster list can be accessed through our [digital attendee event guide](#).

Q: When and where is next year's meeting?

A: Next year's meeting will be held on September 9-12, 2019 at the Boston Convention and Exhibition Center. Also mark your calendar for our upcoming global CGT events:

- [Cell Therapy Manufacturing & Gene Therapy Congress](#) | December 4-6, 2018 | Amsterdam, Netherlands
- [Cell Therapy Manufacturing Asia](#) | February 26-March 1, 2019 | Tokyo, Japan

Q: How can I access the attendee list and speaker slides?

A: The attendee list and speaker slides are available in the [Biotech Week Boston networking app](#), which will be live through end of October 2018. If you need your log in details, please visit the link above and hit the 'Retrieve Login Credentials' link and enter the email associated with your registration to trigger a password reset. If you are still experiencing issues, please contact biotechweekboston@knect365.com. Please note that exhibit hall only passes do not get access to the Biotech Week Boston app.

Q: How can I speak at next year's event?

A: Cell & Gene Therapy Bioprocessing & Commercialization 2019 is currently [accepting speaking applications](#). Submit your speaking proposal today as speaking space fill up quickly.

Q: How can I reserve an exhibit booth at CGT 2019?

A: To request a CGT 2019 floor plan with pricing, please contact Aimee Croke at aimee.croke@knect365.com (companies A-L) or Kristin Skahan at kristin.skahan@knect365.com (companies M-Z).

If you have further questions regarding your past, present or future participation at Cell & Gene Therapy, please contact us at biotechweekboston@knect365.com.

Many thanks,
The CGT 2018 Team
